

## **2004 - 2005 UHD Undergraduate Scholarship Application**

The University of Houston-Downtown's academic scholarships recognize and reward outstanding academic achievement. Grades are very important, but other factors are considered in awarding scholarships.

Scholarship committees evaluate applications for most scholarships, but some academic departments will award individual scholarships using their own scholarship application. Your leadership, extracurricular activities, and statement about your educational and career goals will be examined carefully.

Meeting the minimum eligibility requirements does not guarantee your selection as a scholarship recipient. Due to limited funds, the university is unable to award scholarships to every student, but we encourage you to apply.

The committee will review your scholarship application after the scholarship counselor confirms that you are eligible for *at least* one of the available scholarship funds.

The scholarship application is your only opportunity to present yourself to the committee; thus, the care with which you prepare the application and the quality of your overall presentation will be noted by the committee.

The scholarship committees have final determination for recommending scholarships under their jurisdiction.

**The application deadline is: April 02, 2004**

Please submit the application and your academic records to:

Monica Pickens  
University of Houston-Downtown  
Scholarships and Financial Aid, Rm 330S  
One Main Street  
Houston, TX 77002

Scholarship applicants are also encouraged to apply for all other forms of financial aid. Forms are available from the Scholarships and Financial Aid Office. Call 713-221-8041 for more information.
