Scholarship Questions and Guidelines:

The Internet has changed the face of business, connecting individuals and businesses globally. Web commerce provides a potential for increased sales, but customers are finding service standards are decreasing.

Please answer any three of the following questions in a minimum of 1,000 words (total for all three questions) using [MLA](#) style. Include a Works Cited page with a minimum of two sources. Submit your essay using the form below. Do not send your transcript until it is requested.

1. How has the Internet changed the role of business?
2. Is it easier to start a business since the evolution of the Internet?
3. Are Internet (online) businesses more likely or less likely to succeed than strictly brick-and-mortar (offline) businesses?
4. What are some of the problems facing a new Internet business?
5. What are some of the advantages a new Internet business has over a strictly brick-and-mortar business?
